

AMERICAN HONDA BIRDIES FOR CHILDREN OFFICIAL CONTEST RULES

1. No pledge, purchase or donation is required to participate in the American Honda Birdies for Children contest or to become eligible to receive a prize. A pledge will not increase a participant's likelihood of winning a prize.
2. The American Honda Birdies for Children contest is open to all participants who are 18 years of age or older. The contest is void where prohibited or restricted by law. A participant need not be present to win.
3. Only one (1) Grand Prize will be awarded. The Grand Prize will be a new and unused current model year, Honda automobile (TBD). Tournament Officials have the right to change the model of the car at any point. The Grand Prize will be awarded to the person who guesses exactly the number of birdies made during the 2023 Honda Classic golf tournament. The guess may be any number. In case of ties, the Grand Prize winner will be chosen by a random drawing by Tournament Officials from among those who correctly guess the exact number of birdies made (TBD by the PGA Tour). Tournament Officials may limit the drawing to a group of "finalists" selected at random prior to the Grand Prize drawing. If no one guesses the exact number of birdies made, the Grand Prize winner will be the person(s) whose guess (either above or below the exact number of birdies made) is the closest to the actual number of birdies made during the Tournament.
4. Each individual participant may not exceed 30 guesses. If more than 30 guesses are submitted, only the first 30 guesses (in order from 1 to 30 on the pledge form(s)) will be considered for the Grand Prize contest.
5. No Purchase Necessary Entry: During the promotion period, contestants may complete a "no purchase necessary" entry. The official form must be completed in person at The Honda Classic office - 3300 PGA Blvd, Suite 800; Palm Beach Gardens, FL 33410 (between 10 a.m. and 4 p.m. Monday-Friday, excluding holidays), Limit one "no purchase necessary" entry per person and per household.
6. Odds of Winning
 - If there are ties of 2 or more "finalists" the Grand Prize winner will be decided by a random drawing conducted by Tournament Officials. For those not winning the Grand Prize, secondary prizes may be allocated at the discretion of Tournament Officials.
 - Odds of winning: The chances of winning the Grand Prize are based solely on guessing the correct number of birdies made and the actual number of participants who submit the correct guess.
7. The exact number of birdies made during the Tournament will also include any birdies made during Tournament playoff rounds.
8. Should PGA TOUR or Tournament Officials cancel one or more rounds of Tournament play because of weather or other conditions, and then the following number of Birdies shall be added to the regular Birdies total to determine the total number of Birdies made during The Honda Classic:

Thursday – 400 Friday – 400 Saturday – 200 Sunday - 200
